Mrs. MacPherson Speaks To Junior Woman's Club

The Appomattox Junior Woman's Club met on Tuesday, February 26th, at the Town Hall office for their regular monthly meeting.

Mrs. Frances Avery, Chairman of Public and International Affairs Committee, presented Mrs. Barbara MacPherson, guest speaker for the evening.

Mrs. MacPherson spoke to members of the club on the "Proposed Appomattox Downtown Project" and also showed slides to the group. She told how the proposed project came to be and what has developed since its conception early last fall, including the very successful first Annual Historic Railroad Festival which was a spin-off of the downtown project.

She told the young ladies that "basically the proposed downtown project is one which would create a park atmosphere for pedestrians only, providing benches and shade trees, among other things and that store fronts would be done in keeping with the 1865-motif, befitting the historical background of the town. The railroad depot would be utilized in a manner deemed most appropriate by the community."

Mrs. MacPherson stressed the importance of community involvement, the role of individuals and civic groups in promoting and accomplishing this project; and also stressed the fact that everyone in the county would benefit by having an attractive downtown.

Mention was made of possibly having a May Festival should enough interest be shown and Bill Slagle, Town Manager, was present to answer questions concerning the Downtown Project.

Pre-Easter Biblical Prophecy Conference Set

Mr. David P. Ebaugh, an Electronic Engineer from Harrisburg, Pa., who is now devoting full time to teaching the Book of Revelation, will be holding a Pre-Easter Biblical Prophecy Conference at Bethlehem United Methodist Church, Concord, Virginia, March 14 - 17 at 7:30 p.m. Rev. David Boger is the pastor.

Mr. Ebaugh will be speaking on such topics as the "Oil and Energy Crisis" and the "Devaluation of Gold and the U. S. Dollar" as related to Biblical Prophecy. There will be an opportunity for a question and answer period. There will not be an offering taken but those wishing to contribute to Mr. Ebaugh's ministry will have an opportunity to do so.

As an engineer and inventor, Mr. Ebaugh has contributed to modern appliances such as the IBM Selectric and Executive typewriters, Polaris and Subroc Missles, various radar, satellite and astronaut systems.

Mr. Ebaugh is an extra ordinary Bible teacher. He believes that the Bible interprets itself. His fresh approach has opened many Bible truths. Each Monday night his living room is crowded with people who gather for Holy Spirit anointed teaching, as he completes the puzzle and solves the riddle of Revelation by showing us what we should be doing right now and also what we will be doing in the future. He quotes the Book of Revelation from memory as well as much of the rest of the Bible. These discoveries are destined to revolutionize some points of doctrine and theology before the soon return of Jesus Christ.

Mr. Ebaugh is the author of several Books, "The Key to Revelation," "The Key to Tribulation," "Marriage, Divorce and Re-marriage" and his latest book, "Revelation Makes Sense" are only a few to mention. he is not dogmatic. Neither does he try to support any past interpretation, doctrine, dogma or denomination. He presents scriptures from all over the Bible to unlock the mystery of Revelation. Although the interpretations he presents are new and different, they are presented in a spirit of love, joy and peace and consequently there is never a devisive or argumentative spirit.

Play To Open March 15 At Fine Arts Cen.

The Prime of Miss Jean Brodie, the fourth Fine Arts Center Theater production, is in rehearsal and set to open Friday, March 15 and continue March 16, 17, 22 & 23. The cast is headed by Kay Hodsdon as the intensely romantic, dedicated, through somewhat unorthodox Miss Brodie. She is assisted by a large supporting cast including many young actresses who protray her students as well as several fine adult actors.

Director Phil Sommer cites the play as a "serious drama with comic overtones." The plot revolves around the irrepressable Miss Brodie's relationships with her students and fellow teachers. As the play progresses and conflicts arise, the audience becomes more and more aware of the many - faceted and somewhat distorted nature of Jean Brodie's personality. The role is one any actess would covet.

Ticket reservations may be made starting March 8th by calling the box office between 10 a.m. & 5 p.m. Monday - Saturday.
